For the reasons set out in an Order entered contemporaneously with this Judgment,

**IT IS ORDERED AND ADJUDGED** that plaintiffs' motion to dismiss defendant Mary E. Wellons Dockery Dufty as a defendant from this lawsuit with prejudice, and further, that all cross-claims or third-party claims arising out of plaintiffs' claims for recovery of their RI/FS costs, RD/RA costs, or any other response costs against defendant Dufty (docket no. 537) and as joined in by defendant Dufty (docket no. 539) are granted, and that the Court, in fact, dismisses any cross-claim or third-party claim by any party against defendant Dufty with prejudice as a result of its settlement of plaintiffs' claims, and further, that the Court accepts the Uniform Comparative Fault Act proportionate share rule for this case so that plaintiffs' contribution claims against the

non-settling defendants will be reduced by the fair share of defendant Dufty.

This the day of September 30, 2005
